Kia Ora Room 6 Families,

My name is Abbey Peters (Miss Peters) and I am excited to be filling in the position of Ms Tui Cox, as Room 6 Teacher.

My background is in Early Childhood Teaching where I have 10 years of experience working with a diversity of ages, stages and wonderful personalities. I am a gentle natured person who is calm and caring and has strong principles on respect and working in partnership. Coming from the ECE sector child-centred and play based practice strongly underpins my approach and philosophy, I endeavour to create a learning environment that supports your children to learn autonomously as well as ensuring fundamental life skills and curriculum outcomes are achieved.

Coming into the role of Room 6 Teacher I intend to continue with the foundations that have been set by Ms Cox; ensuring familiarity and stability in the class environment is paramount as yourselves and children get to know myself and I you/them. As all teachers have different approaches and styles, any changes would be gradual, child centred and inclusive.

Outside of teaching I am a mother to a very inquisitive and talkative 3-year-old boy Luca, we enjoy going for bike rides, bush walks (bear hunting as he likes to refer to it as), baking, spending time at the family bach on the Coromandel and reading. I was born and raised in the Franklin District and am returning to my roots where I feel a sense of belonging and pride in the local communities.

I look forward to meeting you all, building partnerships and being an integral part of your child's learning journey. I believe in an open-door policy and welcome you to join us in Room 6.

Kind Regards

Abbey Peters
